

SPSS for Windows Renewal

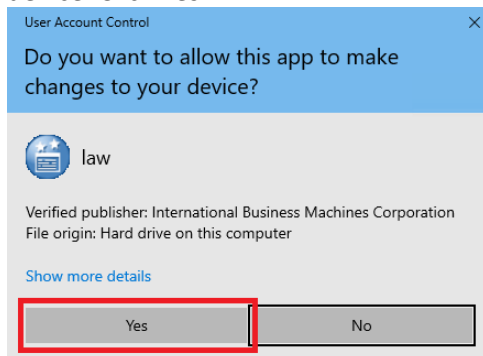

1. Run the License Activation wizard by opening Windows explorer, navigating to **C:\Program Files\IBM\SPSS Statistics** and double clicking the file **law.exe**.

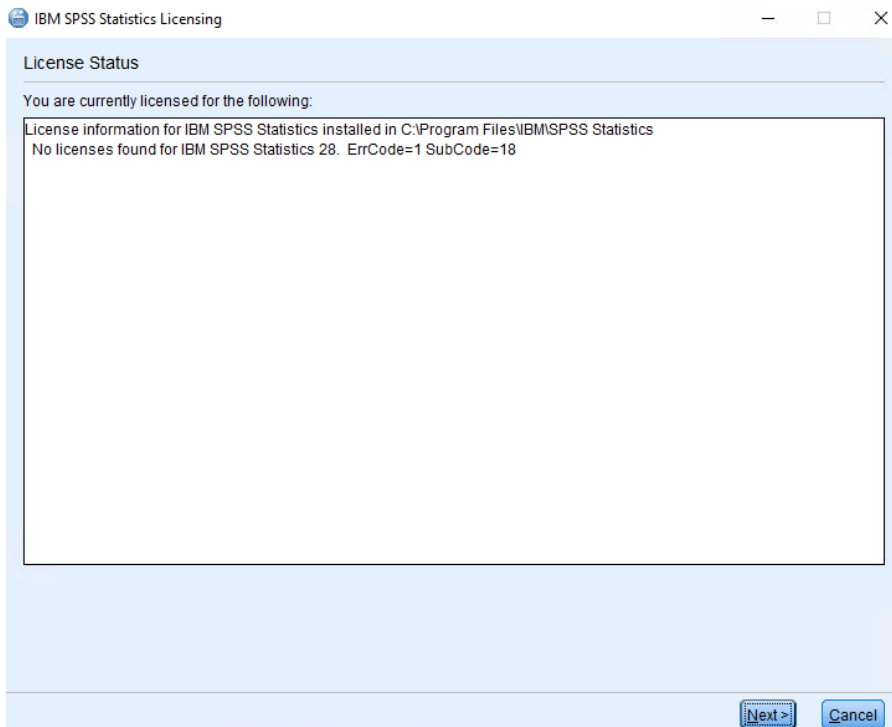

2. Click Launch License Wizard.

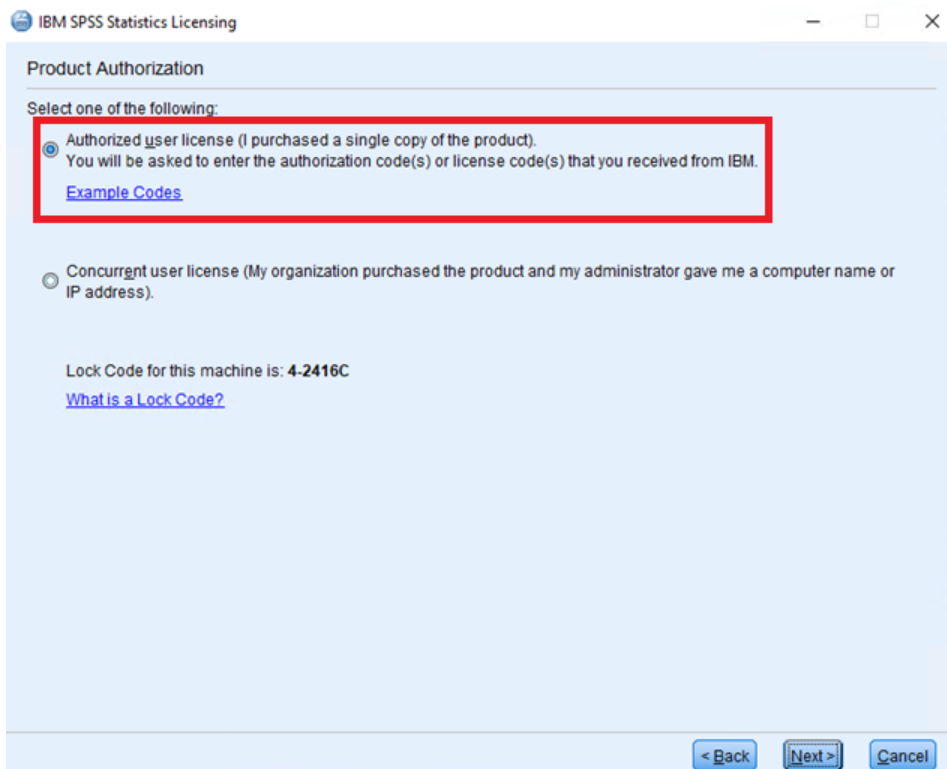

3. A warning message will appear asking if you would like to allow this app to make changes to your device. Click Yes.

4. On the License Status window click **Next**.

5. On the Product Authorization window ensure **Authorized user license** is selected, then click **Next**.

6. On the Enter Codes window copy and paste the 20-digit code found in your digital goods at software.utoronto.ca into the Enter Code field. Click Add, then click Next.

The screenshot shows the 'Enter Codes' window in the IBM SPSS Statistics Licensing application. The window title is 'IBM SPSS Statistics Licensing'. The main heading is 'Enter Codes'. Below the heading, there is a text box with the instruction: 'Enter your authorization code(s) here to license your product. If you have already contacted IBM via email or phone, please enter the license code(s) you received from IBM.' There are two blue hyperlinks: 'Licensing Overview' and 'Example Codes'. Below this is a text input field labeled 'Enter Code:' with an 'Add' button to its right. Underneath the input field is a larger empty rectangular area. At the bottom left of this area is a 'Remove Code' button. Below the large area, there is a line of text: 'The authorization code(s) will be electronically sent to IBM.' and another blue hyperlink: 'Proxy Server Settings'. At the bottom right of the window are three buttons: '< Back', 'Next >', and 'Cancel'.

7. On the Internet Authorization Status window you should be presented with information that authorization succeeded. Click **Next**. If authorization fails ensure you have the authorization correct code and an internet connection.

The screenshot shows the 'Internet Authorization Status' window in the IBM SPSS Statistics Licensing application. The window title is 'IBM SPSS Statistics Licensing'. The main heading is 'Internet Authorization Status'. In the top right corner, there is a 'Copy Status' button. The main content area contains the following text: 'Authorization in progress .. [redacted]', 'Authorization succeeded.', 'License Code [redacted]', '*** End Of Transaction. ***', and 'Successfully processed all codes'. At the bottom right of the window are three buttons: '< Back', 'Next >', and 'Cancel'.

8. On the Licensing Completed window displays when the product expires and the various modules that have been licensed. Click **Finish**.
